

GOVERNMENT FURNISHED PROPERTY
Program and Performance Management (PPM) Services
DE-SO26-08000663

The initial Government Furnished Property list will be developed once the actual office assignments have been finalized, after award. For proposal purposes, each potential offeror should assume that for all the office space identified in the solicitation that the Government will provide standard office type equipment to include:

Computer Workstation
Monitor
Calculator (if required)
Telephone
Furniture

Therefore, for the purposes of the Program and Performance Management solicitation the total equipment list would consist of the above items for the office spaces for 18 FTEs at the Pittsburgh, Pennsylvania site, 8 FTEs at the Morgantown, West Virginia site, 1 FTE at the Fairbanks, Alaska site, and 1 FTE at the Tulsa, Oklahoma site.
